Central site survey/residual materials

The municipality is studying the functioning of the central collection site located next to Town Hall. In this regard, we would like to have your opinion to guide us in the development, redevelopment or complete redesign of this site.

Please take 2 minutes to complete this survey and send it to us by email at info@munogden.ca, directly at Town Hall or by phone at 819-876-7117. The data collected will help us to better serve our fellow citizens.

Please send us your answers by August 31.
